

A young boy with short brown hair, wearing a light blue and black long-sleeved shirt, stands on a sandy beach with his back to the camera, looking out at a large body of water under a sunset sky. The sky is filled with soft, orange and yellow clouds. The water reflects the warm light of the setting sun. In the background, there are some trees and a building on the left side. Overlaid on the image are several white text boxes with dashed black borders. The largest box is a cloud-like shape in the upper right, containing the event title. Two smaller circular boxes are in the lower left, containing the date and time. A third circular box is partially visible below the date box, containing the location name.
